Available in yellow for diesel

WE'RE MORE THAN JUST A STORE.

We are proud to have built a team that's able to bring you innovative solutions, not just sell you products. Our goal is to offer you a variety of items, so Flaman is the one place you go for what you need.

We're your one-stop shop for augers and conveyors and all the accessories and parts that go with them.

Flaman – We believe in value

We offer value-added options for your auger, like a larger fuel tank, that save you precious time at harvest.

We call these our Flaman Advantages. Look for these highlighted with a red button throughout this guide.

Engines range from 25 to 40 HP.

Vanguard – Get more done in less time

Vanguard is the proven industry standard for big block engine power, performance, and reliability. For the most challenging applications, where downtime is not an option, this big block motor has been expertly engineered to deliver the dependability people need to get a lot more done in less time throughout the workday.

Get Maximum Power with a Kohler

Kohler motors deliver maximum power, torque, fuel efficiency, and long engine life.
