**EQUIPMENT FINDER**

# Trailers – Only need a trailer for the weekend?

## FLAT DECK TRAILER

- » Flat deck trailers available in various lengths
- » Easily haul equipment or vehicles

Moving? Need some temporary, mobile storage?

Need to haul dirt, snow or debris?

## DUMP TRAILER

- » Two-way tailgate allows for fast, controlled loading
- » Great for weekend landscaping projects

We're really happy with the service from Flaman Rentals. The trailers we rent are always in very good condition. Renting is very convenient. We can just come and hook up to a trailer whenever we want. Not having to worry about trailer maintenance is also a big reason why we like to rent from Flaman.

Kevin Carswell, Vipond Fire

## ENCLOSED CARGO TRAILER

- » Various sizes of cargo trailers available
- » Ramp or barn door options

Take your horse to an auction or the vet.

## STOCK TRAILERS

- » Barn doors
- » Extra height for easy loading

are available at some locations,  
please call ahead to confirm.

## Hay & Livestock

### HAUKAAS BALE CARRIER

- » Gentle on bales and the hayfield
- » Quickly gather bales and place in semitrailer-sized groups
- » Can gather and set up to 1,000 bales per day

### WHEATHEART POST POUNDER

- » Self-contained with a 13 HP motor – no need to tie up a tractor
- » For building new fences or making repairs
- » Easy operation

## Field Equipment – Get access to new, well-maintained equipment

### SCHULTE ROCK RAKE

- » Easily form rocks into neat rows for pickup by a rock picker
- » Use on roots, stumps and other debris

### Reclaim gravel from roadsides

### SCHULTE ROCK PICKER

- » Pick rocks faster with a Schulte
- » Good for spot picking in fields

**Build larger stone piles**

### SCHULTE MOWERS

- » Great for mowing crop residue, pastures, weeds or roadsides
- » Ultra narrow transport width for added safety
- » Designed to work in the toughest terrain

**Convenient narrow transport**

### RITE WAY HEAVY HARROWS

- » The best way to manage heavy straw without disturbing the soil
- » Designed for conventional, minimum and zero-till operations

**The biggest drum  
on the market**

### RITE WAY LAND ROLLER

- » Great for many applications like pulse crops or hay land
- » Increase germination – every seed has good contact with soil

## Rented equipment is A 100% WRITE-OFF

**APPROVED  
RENTAL TOUGH**

### WISHEK DISC

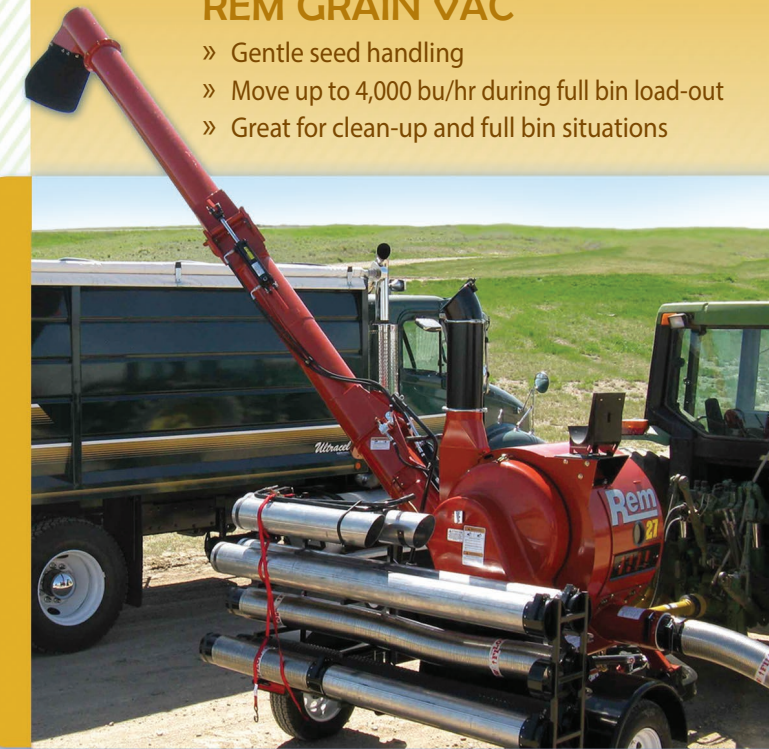

- » 13 HP per foot of disc required
- » The heaviest disc on the market
- » Most effective way to break up land or improve drainage

## Grain Cleaning

### REM GRAIN VAC

- » Gentle seed handling
- » Move up to 4,000 bu/hr during full bin load-out
- » Great for clean-up and full bin situations

As a young man starting up his own company, cash is always short. Having Flaman Rentals close by has been a life saver.

Jason Tocher
