

# The Ins & Outs of the Rental Process (SK)

## When renting we need to see:

1. Valid Canadian Driver's License
2. Major credit card (*we do not accept prepaid cards*)

***The driver's license and the credit card must belong to the renter (same name on both).***

## Damage Waiver Policy:

Set at **10%** of the rental, this is a non-refundable charge on all rentals unless customers provide proof of insurance in writing. It is designed to cover minor (under \$5,000) accidental damage done to rental equipment and could save the customer in repair bills (up to a maximum of \$5,000—if damage is over the limit then the coverage is not in effect).

***The damage waiver is not an insurance policy and does not cover: theft, stolen or missing equipment, abuse, misuse, negligence by the customer, damage incurred by a third party, tires and glass, or equipment that is sub-rented.***

**INSURANCE & DAMAGES ARE THE RESPONSIBILITY OF THE CUSTOMER**

**\$3.00/LOADED KM OR \$150 DELIVERY & PICK-UP, WHICHEVER IS GREATER**

**\$100/HOUR, ALL ITEMS MUST RETURN IN CLEAN CONDITION**

**FULL DAY RENTALS** **24 HOURS**

**HALF DAY RENTALS** **4 HOURS**

**ALL ITEMS ARE CHARGED FOR TIME OUT, NOT TIME USED**

**AG ITEMS ARE CHARGED BASED ON ACRE RATE OR DAILY RATE, WHICHEVER IS GREATER (CALCULATED BY ACREMETERS OR GPS)**

**REMOVING OR TAMPERING WITH ACREMETERS OR GPS IS STRICTLY PROHIBITED**

(DOING SO WILL RESULT IN A TAMPER CHARGE OF THE DAILY RATE X2 FOR THE DURATION OF THE RENTAL. GPS UNITS ARE LINKED TO EMAIL AND WE ARE NOTIFIED IF A UNIT IS REMOVED OR TAMPERED WITH.)
